Cross Country Conquest for Form 6 girl

Katie Hughes was overjoyed when she achieved third place in the Independent Schools Association U12 National Cross Country event (Friday 26 February) and in doing so helped the North of England U12 girls squad secure second place overall.

The event took place at Princethorpe College in Rugby, with seven teams representing different areas of the country.

As well as her sporting success, Katie has also achieved academic success having last week been offered academic scholarships to Alderley Edge School for Girls and King's Macclesfield following her secondary school entrance exams.
