Swimming success for WPS

Three squads of swimmers ranging in age from 8 to 11 from Wilmslow Prep School for Girls competed against fourteen other schools' squads at the recent Independent Schools Association (ISA) North of England swimming gala in Stockport with great results.

The WPS Under 12 squad came third overall with two girls, Nicole Fahey and Katie Hughes qualifying for the nationals being held in Coventry in November. Nicole achieved first place in the under 11 breaststroke and Katie finished first in the finals of no less than three events - freestyle, breaststroke and open butterfly.

Wilmslow Prep School Head Teacher, Paul Reynolds, said: "We are delighted that so many of our girls took part in this competition and are very proud of all of them, particularly Nicole and Katie who did exceptionally well. As with any sport, it takes a great deal of dedication and training to succeed and the results bear testament to the efforts made by these girls."
