## U10 Rounders v Greenbank

### Report by Rebecca Blackburn

On Wednesday we had a Rounders match against Greenbank. We had some excellent players. We scored 8 and a half rounders and Greenbank scored 7. We started with one amazing rounder from Helena then one from me. Next we had another outstanding rounder from Maui and then Rebecca scored another one.

### Report by Halle

In our U10s Rounders match against Greenbank Vanessa and Yasmin scored a full rounder and everyone else scored a 1/2. It was an excellent match so well done everyone and thank you to Miss McBride and Mrs Broome for taking us although it was a horrible day and we got wet a lot!
