## French Trip

Forms 5 & 6 have had a fantastic week in France, staying in Ebbingham, Normandy.

Twenty-eight girls went on the five day trip and were accompanied by Mrs Hughes, Miss Ramsay, Mrs Broome and Mr Reynolds. The aim of the trip was to encourage them to use their French skills in real-life situations.

The girls started the week with a trip to the goat farm and an afternoon visit to the chocolaterie, where the girls bought souvenirs and sampled the chocolate.

On day two the girls visited Nausicaa, which is a huge sea life centre. When the sun came out in the afternoon they spent some time on the beach, building castles and sand sculptures.

Yesterday the girls visited St Joseph's Village, an outdoor museum and ended the day with a snail eating competition. There were also birthday cakes organised this week for Sehr and Ella in F6.

It's been very quiet in School without the girls this week and we hope that they've had a fantastic experience. Thank you to Mrs Hughes, Miss Ramsay, Mrs Broome and Mr Reynolds for looking after the girls so well whilst they were away. Special thanks to Miss Ramsay who set time aside each evening to send dozens of photos back to be uploaded to our website. They were very much appreciated by the parents. Merci as well to Mme Ward, who worked so hard organising the trip and making sure that everything went to plan.

## Stars of the Week

As part of their 15th birthday celebrations, Silk FM popped into School yesterday morning to interview some of our staff and pupils. Some of the interview was broadcast live and five of our F4 girls were asked to talk about life at WPS.

Charlotte, Kristie, Sofia and Heidi proved that they were natural interviewees whereas being interviewed on radio is becoming second nature for Georgina, who appeared on Radio 2 at the end of last year.

Thank you to everyone who took part and represented WPS so brilliantly on local radio.

Congratulations to Sophie, Anna, Millie, Imogen and Ameerah for being this week's Stars. Well done for all of your hard work.
