

September 2014 Entry Assessment Day

Monday 16th June 2014

WILMSLOW
PREPARATORY
SCHOOL

www.wilmslowprep.co.uk

There are many reasons why families choose Wilmslow Prep School. Our outstanding academic results, together with our friendly welcome, happy pupils, engaged parents and fully committed staff make WPS a unique and exceptional place to learn.

In addition one of the key benefits of choosing a stand alone prep school such as ours is that we prepare our children for a wide range of senior schools and have an excellent record of children gaining entry to their first choice of school, whether that be an independent senior school or a local state school.

Wilmslow Prep prides itself on giving the very best start to its pupils in those vital early years of a child's development.

We are holding an assessment day for pupils entering Years 3, 4 & 5 this coming September. Prospective pupils will take part in an academic assessment in the morning and will join lessons for the afternoon.

Places may be offered to candidates who show academic ability combined with potential in other areas.

The closing date for registration is
Thursday 12th June 2014 by noon.

For further information about the School or to book a place for the Assessment Day for your child, please call Mrs Penn on:
01625 524246 or email her at: secretary@wilmslowprep.co.uk
