WPS School Report

Autumn Term 1 2018

Our Ambassadors for 2018-2019

The Form 6 roles and responsibilities enable each pupil to contribute fully to the life of the School.

All of our talented Form 6 children have been awarded the role of WPS Ambassador; there are four categories of Ambassador and each comes with a job description, clearly setting out what the role involves and listing specific events at which the children will be expected to play a key part during the year.

The Ambassadors have already had a busy start to the year and have undertaken their roles and responsibilities admirably!

Our New Entrance & Astroturf Pitch

We were delighted to welcome back three of our former Headteachers recently, for the grand opening of our super new entrance hall, along with Wes Brown, who formally opened our wonderful new Astroturf pitch, beside our purpose built Sports Hall. We are extremely pleased with both new developments, which have further enhanced our excellent facilities here at WPS.

Welcome to all our Reception 2018 children, who have settled in to life at WPS very well indeed and have made a super start to the year!

WPS Celebrates 109th Birthday

Staff and pupils celebrated the School's 109th birthday on 23rd September, by making birthdays cards, singing 'Happy Birthday' in a special birthday assembly and sharing some delicious cake!

Welcome to our School Council for 2018-2019.

Our wonderful School Council members represent their peers at meetings and help to share pupil ideas, interests and concerns with the wider School community. The representatives from each class (Reception to Form 5) join our Community Ambassadors and School Council Leaders in planning and organising a wide variety of school activities and projects.

EYFS Trip to Carrs Park

The EYFS children went to Carrs Park as part of our Autumn topic. During our walk to the park we looked for signs of autumn on the way. The children used their senses and experienced nature and the natural world. They were very inquisitive, enjoyed exploring bark and leaf rubbing and were very creative with their sticks and leaves.

The children particularly enjoyed the Winnie the Pooh activity of 'Pooh Sticks', watching their sticks float under the bridge and away down the river.

We turned our snack into a picnic and then ended our outdoor activity with a visit to the multi-play area playground.

The children were well behaved and we all had a lovely time.

ISA Art Competition 2018

Pupils from Wilmslow Prep School are celebrating after achieving extremely successful results in the regional Independent School Association (ISA) Art Competition.

An amazing 3 first place prizes have been awarded to Wilmslow Prep School, as well as 8 second place prizes. The first place entries are now being put forward to the ISA National Art Competition, which is held in November. The ISA Art Competition celebrates artistic achievements across 375 Independent Schools in England.

The first place prizes were awarded to Nancy for 'Augustus and his Smile' Ruby for 'London Skyline' and Laura for 'Optical Art Pot'.

The second place prizes were awarded to the following pupils:

Emily (KS1) for 'Owl Babies'

Jacob/Coby (KS2) for 'St Bartholomew's Church'

Holly (KS1) for 'Our School'

Year 4 (whole class 2017/18) for 'City Scape'

Sienna (KS1- 2017/18) for 'My House'

Year 2 group (KS1) for 'Garden Birds'

Paige (KS2) for 'Still Life'

We are very proud of all of our children who have achieved incredible results in the ISA Regional Art Competition this year.

Harvest Festival

Once again this year, we celebrated Harvest by donating all the Harvest gifts from KG to Form 5 to the local Food Friend initiative at St Bartholomew's Church. Our Form 6 children kindly donated Harvest boxes, which were shared within the local community. Thanks to all our families for their kind and thoughtful donations.

A huge thank to everyone who supported National Poetry Day this term. It was so lovely to hear about what the children had been learning and to be discussing poetry so enthusiastically, not only in Speech lessons but also during play times.

From nursery rhymes to skipping games; from Spanish poetry to their own creations; it was lovely to see so much showcased in our celebratory assembly on Monday 15th October.

F5 Trip to Haddon Hall

Form 5 recently enjoyed a visit to the National Trust property Haddon Hall in Bakewell, as part of their Humanities study of the Tudors.

During their visit, they were taken back in time to Medieval/Tudor Britain and explored the wonders and history of this fascinating building and its grounds.

The children were excited to learn all about the story of the families who owned Haddon Hall, as well getting the chance to dress-up in authentic costumes of that period.

The children thoroughly enjoyed their day!

Thank you to Mrs Anderson and Mrs Broome who accompanied the children on their super day out.
