1.15pm KG Tennis Tykes
3.15 - 4.00pm Rec - F2 Summer Sports
4.00 - 5.00pm F3 Summer Sports
4.00 - 5.00pm F4 - F6 Orchestra

Friday 7th June

8.00—8.45am F5 & F6 Maths Club
8.00 - 8.45am Rec - F6 Football Club
12.35pm School Council
1.00pm Orchestra rehearsal (extra)

Stars of the Week

★HAPPY BIRTHDAY!★

Many Happy Returns to the following children who celebrate their birthday this half term

KG - Betsy, James & Stefan

Rec. - Giovanni & Lara

F1 - Florence

F5 - Pietro

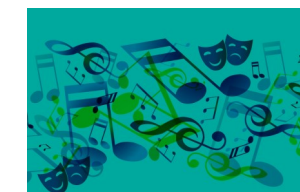

School Report

May 2019

Alderley Edge Festival 2019

Congratulations to all the children who participated in the Alderley Edge Festival for both Music and Speech and Drama. We are delighted with the super results and very proud of everyone who took part! The event gave all the children the opportunity to showcase their performing and public speaking skills in front of an audience. The Junior Choir (F2 & F3) gained first place and won the Minor Cup. Megan (F6) won the Canon Brian Young Cup for her vocal solo. Ameerah (F6) won the Festival Cup for woodwind/brass solo Grades 2 and 3. Ameerah was also invited to play her oboe on Saturday night at the Festival Finale. Well done to all the children for another very successful year and for being wonderful ambassadors for WPS. There is a lovely article on wilmslow.co.uk about WPS and the festival.

F5 & F6 Trip to Boreatton Park

Located in the heart of the Shropshire countryside, the F5 & F6 children stayed at the PGL centre of Boreatton Park, where they engaged in team building activities. During their stay, they also visited Acton Scott Historic Working Farm, which demonstrates life on a Shropshire upland farm at the turn of the 19th century.

There was plenty to do, including grinding the grain to feed the hens, feeding the lambs and most exciting of all, enjoying a cuddle with the baby chicks and ducklings.

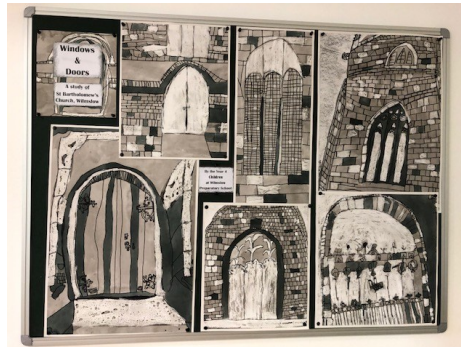

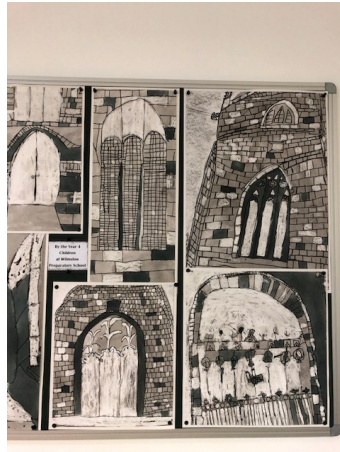

The children also enjoyed a day at Ironbridge Victorian town, where they stepped back in time to experience a morning in the schoolhouse, led by a rather strict school teacher! They had a great time shopping in the Victorian shops with their shillings and farthings, as well as trying their hand at candle dipping and riding the vintage carousel!

A super time was had by all. As always the children were extremely well behaved and a credit to WPS.

Mini Exhibition at Kenmore Medical Centre

We were delighted to be asked to display some of our art work from Form 4 in Kenmore Medical Centre. The art work is up for six weeks and has already received some very positive comments.

Teddy Bears' Picnic

The teddy bears came to tea and had a lovely time with the children in Kindergarten at the Annual Teddy Bears' Picnic. There were lots of exciting games and a lovely picnic. Thank you to our amazing Parents' Committee for organising this event.

F3 Trip—The Science & Industry Museum

In conjunction with Form 3's science studies, the children visited the Manchester Museum of Science and Industry.

Pupils were given the opportunity to put their scientific minds to the test. They witnessed an exciting explosions session, where they used their curious minds and joined the Museum Mystery Solvers, and then became a part of the Science Showdown session!

Many thanks to Mrs Cuddy, Mrs Hornby and Mrs Sparrow for coming with us to help on the day.

The children were super ambassadors for WPS and we are all very proud of them.

F4 Trip to York

The children in F4 recently enjoyed a wonderful trip to York. They packed in lots of exciting activities, including visits to York Minster, the Jorvik Viking Centre, York Art Gallery and everybody's favourite - The Chocolate Experience! They were very lucky with the weather and a very enjoyable time was had by all!

Making Pizza

As part of their Food Technology unit, Form 6 recently designed and made their own pizzas. This followed a research task based on Italian food.

The children made their own pizza dough and selected their own toppings, whilst considering texture, taste and colour.

The end products looked amazing- and tasted even better (apparently!)

The children are now making their own pizza boxes in Design Technology, which will be on display shortly.

Escape to Safety

As part of their PSHEE curriculum, Form 5 were given a talk from the local fire service about keeping safe in the event of a fire. This

is an informative and interesting talk and is an important element of the PSHEE programme.

Sport at WPS

As usual WPS have been involved in numerous sporting fixtures, matches and lessons this term. We took part in a Netball Festival where the F3 and F4 children finished as runners up! Well done to all who played. The children in F5 and F6 participated in the ISA Rounders Tournament scoring lots of runs and playing with great spirit, thoroughly enjoying this sporting event.

In cricket, the KS2 children have had several fixtures against local schools, winning all but one of their matches, which is an excellent record. With the Cricket World Cup starting next week, our focus will be on improving our batting and bowling skills.
