F3 & F4 Trip to Sainsbury's

On Tuesday Form 3 and 4 visited Sainsbury's in Wilmslow as part of their Food Technology unit on 'A healthy and varied diet.' During our visit the children had a tour of the store and were lucky enough to go 'behind the scenes', including taking a seat in the manager's office where they were shown how the store decides what to sell, how and when stock is ordered and replenished, and how the store is organised.

The children also had a talk on food hygiene and safety and learnt all about food labelling and food storage. They also had an opportunity to do some of their own research on the recipes they have designed, which will culminate in the making of their food product in a few weeks time.

ISA Athletics 2016

On Wednesday, the Junior Athletics team competed in the ISA North Junior Athletics Competition at Sport City in Manchester. Sophie in F5 finished 5th in the 150 metre race and Charlie in F4 qualified to represent the North in the Rounder's Ball Throw at the National Competition at the end of the month.

F3 & F4 did very well in their respective Relay Races.

It was a brilliant team effort and everyone had a super day.

Thank you to all the families who went along to support WPS and to the teachers who co ordinated the children and in particular to Mrs Broome who organised the event for the North of England.
