## Skipping for Life

The children had an amazing day when Skipping 4 Life came to School on Tuesday. During the day, each class enjoyed a fabulous workshop where 'Skippy John' taught the children new skipping techniques, which they demonstrated to their families later in the day.

The children and parents thoroughly enjoyed the experience and it was a fun and creative way to encourage a healthy lifestyle for everyone.

We have been inundated with requests for more ropes, from both children and adults!

If anyone else would like to order any skipping ropes, please see Madame Ward or look at Skippy John's website : [www.skipping4life.co.uk](http://www.skipping4life.co.uk) for sizes and prices.

## EARLY YEARS VISIT TO STOCKLEY FARM

On Wednesday, 18<sup>th</sup> March the EYFS children enjoyed an exciting and informative day at Stockley Farm. The day began with a tractor and trailer ride around the farm, following which the children saw a variety of farm animals, groomed Shetland ponies and particularly enjoyed stroking and cuddling small animals in Pets Corner. We were also very fortunate to see a calf being born! The children became nature detectives and discovered the wonders of wildlife and seasonal changes during a walk along a nature trail. The day concluded with a tour of the milking parlour where the dairy cows are milked. While the focus of the visit was on learning, the children had lots of fun and were motivated and engaged all day. Well done children! Laura, the Stockley Farm Team Leader, remarked how well behaved you all were! Thank you to all the staff, parents and the Stockley Farm team for making this such an enjoyable visit.

## What's On Week Commencing 23.03.15

**Monday 23rd**
