## Winmarleigh 2016

The children had a great time at Winmarleigh Hall, where the activities are all about team building and communication. There was a series of puzzle challenges to complete (including one where the children quite literally tied themselves in knots!), followed by the Sensory Trail where they had to find their way around an obstacle course wearing a blindfold.

The children all demonstrated excellent team building and listening skills, enjoying the challenge of the low rope activities, the giant swing and the 'all aboard' climbing task.

All of the children made the most of what was on offer and they continued to be excited and enthusiastic about absolutely everything. It really was a pleasure to be at Winmarleigh with them.
