## Welcome to the Summer Term at WPS

A very warm welcome back to School for the Summer Term! I hope you have all had a restful and relaxing Easter break. As always, we have another busy and exciting term ahead of us!

The children have all come back to School looking very smart in their summer uniforms and we are looking forward to enjoying the warmer weather. Please do make sure that you apply suncream to your children before they come to School, even on dull days and also ensure that they have their sunhats in School with them for playtimes.

There are many events planned for this term, starting next week with our WPS Reading Focus Week. Mrs Hughes, our Year 5 & 6 English Teacher and School English Coordinator, has planned a super week, including visits to the Library and a Picture Book day. She will also be leading meetings for parents to talk about reading and how you can help and encourage your child to become a successful reader. We hope you will be able to join us at one of these meetings, timings can

be found below.

We are also looking forward to the Alderley Edge Festival and wish all the children who have entered this year the best of luck. They have worked very hard indeed.

Form 5 & 6 are, of course, looking forward to their trip to France. This is always a super trip and a great opportunity to practise all that they have learnt in their French lessons over the years at WPS. In addition, there are numerous sport, music and drama events, special assemblies, day trips, the EYFS Big Toddle and Parents' Committee events to look forward to. The list is endless so do please keep an eye on the calendar!

We will continue to publish extra-curricular events for the week ahead in our weekly newsletter. We do try to avoid disruption at all times but occasionally need to make changes to the normal weekly programme and would be grateful if you could check this each week to avoid any confusion.

As always, if you have any queries or questions, please do not hesitate to speak to your child's Form Teacher, a member of our Teaching or Teaching Assistant team, our Secretary, Mrs Wragg or myself. To enable us to make a prompt and positive start to the School day, the Form Teachers are unable to meet with you at dropping off time but will do their best to arrange an appointment at the earliest possible convenient time available. Registration is at 8.50am and we request that all parents have vacated the classrooms and cloakrooms by this time. Children can, of course be dropped off on to the playground from 8.30am, free of charge, where they will be collected by their Form Teachers and we encourage as many children as possible to use this facility.

Many thanks for your continued support. All best wishes for a super term!
