F5 Trip to Chester Zoo

On Monday Form 5 had a very enjoyable trip to Chester Zoo. The trip consolidated their study of Rainforests this term.

During their visit, they had the opportunity to explore tropical island environments and their inhabitants, as well as engaging in a fun, hands-on workshop about rainforests; looking at why they are so important and what we can do to help save them.

They even got the chance to see the world's smallest monkey that was born at Chester Zoo last month!

We had a super day and, as always, the children were extremely engaging and well-behaved!

Easter Bonnet Parade 2016

On Wednesday, 23rd March, the Kindergarten and Reception children participated in our Annual Easter Bonnet Parade. Whilst wearing a fantastic display of colourful and inventive Easter bonnets and hats, the children paraded around the hall and then performed a variety of Spring and Easter songs. Well done children! Thank you to the parents and carers for working with your child to produce such lovely, creative and imaginative Easter Bonnets and hats! Have a very happy holiday!

What's On Next Term?

No Clubs or Activities this week

Monday 18th April

INSET DAY

Tuesday 19th April

School recommences

Wednesday 20th April

Puzzle Day

10.35am Form 3-6 Storytime at Library Club

12.35pm Chamber Choir

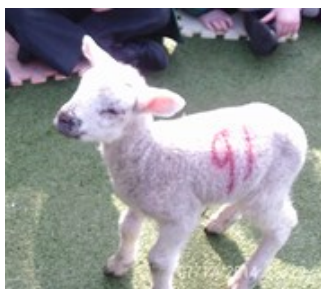

2.30-3.00 pm KG Ballet

Thursday 21st April

ISA Dance Competition

A visit from a lamb!

On Thursday, 17th March, the EYFS children were treated to a visit from Farmer Tomlinson who brought a 5-day-old lamb named "Rosie" to School, for the children to see and stroke. The children were enthralled and bonded with the lamb straight away. The children were given the opportunity to feed Rosie from a bottle of milk whilst Farmer Tomlinson explained that all living things need more than just food and water for survival and about the need to be responsible when caring for another living creature. A big 'thank you' to Farmer Tomlinson for supporting our topic of Animals and the Natural World.

WPS Science Day

Last Friday the whole School took part in a Science Day as part of British Science Week. From Kindergarten through to F6, the children learnt a variety of scientific concepts through practical activities. Topics included light, sound, density, using fruit as batteries and exploding rockets! Great fun and learning was enjoyed by all!

Merits & Courtesies

Silver Merit

Well done to Sophia, Johanna, Zara and Ophelia in F2; Louis, Zara and Henrike in F1; Lydia in F3 and Ava in F4 who have all earned a silver merit badge this week.

Silver Courtesy

Well done to Oliver in F1 who has earned a silver courtesy badge this week.

Gold Merit

Well done to Sophie and Hallie in F5 who have earned their Gold Merit badge this week.

Many Happy Returns to the following children who celebrate their birthday this week and during the Easter Holidays
