F4 Trip to Lyme Park

On Thursday 18th June Form 4 went on a trip to Lyme Park as a continuation of the work they have been learning about in Science. On arriving at the park the girls were met by Pat and Norma, Lyme Park volunteers, who took them straight away on a habitat walk around the different areas of the park. The children had a great time spotting and naming different ducks and birds, hugging a 400 year old tree and tracking deer. After lunch the children were taken to a clearing in the woods where they had to work together to design and build their own den. The children had a fabulous time lifting large branches and logs, finding fern and long grass and making a den which was apparently the largest the rangers had ever seen!

The trip was a wonderful success and as usual it was commented upon how well mannered and enthusiastic towards learning our children are.

Teddy Bears' Picnic

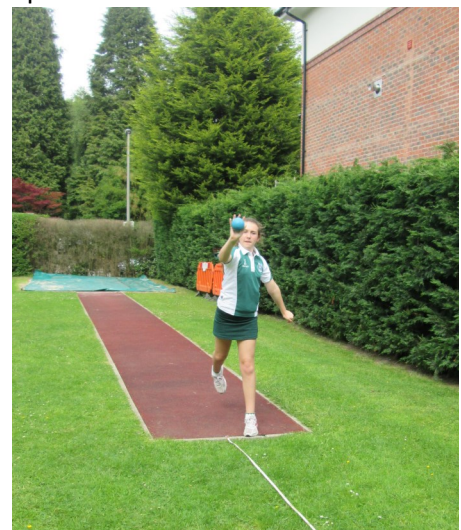

Kindergarten had a fabulous time at their annual Teddy Bears' Picnic, kindly organised and funded by the WPS Parents' Committee. Many

thanks to Mrs McKeand and the team for all their hard work in providing such a fun and enjoyable treat!

ASA Athletics Championships

On Monday 22nd June India in Form 6 represented the North region in the ISA National Athletics championship.

Proud to wear the blue North region's vest and with a throw of 6.35m, India finished 4th which is a fantastic achievement when only the top 8 in the whole of the country compete.

Wilmslow in Bloom

The date has been set for the North West In Bloom judges' visit to Wilmslow and WPS have been doing their bit to help our local town with their aim to become a contender to be selected to represent the North West in the "National In Bloom Competition." Thank you to Mrs Broome for coordinating this project

**What's On Week
Commencing
29.06.2015**

Monday 29th

F4 ESB
Chess Club F3-6
12.35pm Violin Group
