An Amazing Performance

Form 5 & 6 have been delighting audiences with their stellar performance of 'Olivia'. We are astounded at how many budding stars we clearly have at WPS!

A big thank you to all the parents who have provided such fantastic costumes and coached the girls in their lines. This has been a truly memorable end of year production.

Thank you to Mrs Hughes for her hard work this term, helping the children to put on such a high quality production. In addition thank you to Mrs Wood and Mrs Smith for working so closely with the children and providing piano accompaniment & percussion for the performances. Finally, thanks to Mrs Fenton for scenery, Miss Ramsay for the programmes and to all the staff behind the scenes.

Early Years in Space!

The Early Years managed to toddle for Barnardo's this morning and their enthusiasm was not dampened by the rain as we sang songs for parents in the Hall. This was not only a great event for a very good cause but also marked the culmination of the Space topic that Reception have been learning about this term.

Everyone enjoyed an ice cream as a special treat for all of their hard work.

Thank you so much for the amazing costumes and all the brilliant sponsorship contributions. We greatly appreciate it. You can bring in your sponsorship money next week if you haven't already done so.

Destinology Trip

The winners of our Young Enterprise Competition have been enjoying the fruits of their success this morning. Our budding entrepreneurs enjoyed an exciting tour of Destinology in Wilmslow.

They learnt about how technology is leading the way forward in their travel agency and spent some time choosing a dream holiday. They then took part in a geography quiz, which was very competitive between the two teams, before enjoying donuts and watching some truly inspirational holiday videos. I think we all have added Dubai to our holiday 'to do' list!

A massive thank you to Mrs Speakman and her team who made us all feel very welcome and looked after us so well.
