Congratulations Form 6!

Once again, we are celebrating another successful year for Form 6 with their Senior School examination results and all of the children have successfully achieved places at senior schools of their choice.

Form 6 children sat examinations for a wide range of Manchester Consortium Schools including AESG, Withington, Kings, Manchester High, Cheadle Hulme and Stockport Grammar and their hard work was rewarded by a total of 35 offers, including 5 academic scholarships and 4 music scholarships. Children also sat examinations and received offers of places for a number of schools outside the Manchester Consortium, including grammar schools and now have the task of making their final decisions!

We are, as always, incredibly proud of all of the Form 6 pupils and their success is richly deserved. Thanks to Mrs Hughes, Miss Ramsay, Mrs Gregson and all of the WPS team for their continued hard work and commitment in preparing the children for the next stage of their education.

These results follow our very successful EYFS Inspection and reaffirm that WPS is a unique and exceptional school, offering pupils much more than just an excellent education. We set our standards extremely high and value each child as an individual, allowing them to achieve their full potential.

Exciting times ahead!
