## F4 Trip to Macclesfield Forest

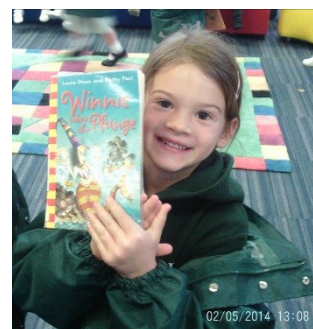

The water used by Macclesfield is provided by the local reservoirs of The Peak District; Just one of the many facts Form 4 learned about water on their field trip in Macclesfield Forest. The day was sunny and the conditions were ideal for the afternoon activity of pond dipping. We were environmentalists, scientifically looking at the pond life to check the water quality. Fortunately we found water snails, freshwater shrimp, dragon fly larvae, plant life and much more, proving good living conditions and a balanced eco system; a great experience!

Thanks to Frances and Jake the Peak District Team, Mrs Barton and Mrs Cuddy for helping and Mr Hopley and Mrs Rigby for driving the mini bus.

## EYFS Trip to Wilmslow Library

On Wednesday, 8<sup>th</sup> October, the EYFS children enjoyed a visit to Wilmslow Library. The purpose was to reinforce the world of literacy and learning and to help make reading a lifelong experience. The trip certainly captured the children's interest and imagination by demonstrating that libraries provide access to a wide variety of fiction and non-fiction reading materials as well as other activities that correlate to books. The trip also underpinned our circle-time discussions about sharing resources and thinking of others by enabling the children to understand that library books are on loan to us and belong to everyone in the community. Marg, the librarian commented on how well behaved the children were. Well done.

## House Conker Competition

The victors were Gawsworth, but everyone had lots of fun!

U11—The Year 6 team had a close and exciting game against Hale Prep. Ava scored with an amazing shot in the first quarter, though Hale Prep were in the lead 2-1. We managed to stay ahead from the second quarter onwards, with goals from Jemima, Holly and Charlotte. The final score was a 6-4 win for Wilmslow Prep! Thank you to Mrs Broome, Mrs Ricketts and Miss Shaw for umpiring and organising the teams.
