

## Wigan results 2014

12<sup>th</sup> June 2014

Well done to all the WPS pupils who participated in the ISA Athletics in Wigan yesterday. The standard of competition was extremely high and WPS gained some great individual and team results. Particular congratulations should go to Halle who won the U12 High Jump event, and to Vanessa who came 2nd in the U12 75m sprint. Good luck to both these girls when they compete for the North in the National Finals.

Thank you to all the parents who supported WPS throughout the day, and helped provided transport for our participants, and well done to the children for demonstrating excellent behaviour and team spirit, representing WPS to such a high standard.

Our results from the competition are shown below, and it should be emphasised what super results these are for a small prep school.
