Next week is Healthy Eating Week! This is a national event initiated by The British Nutrition Foundation. It is a week dedicated to encouraging everyone to reflect on their lifestyles and look to make improvements to enhance their own health and wellbeing – particularly around what they eat and drink. The children will engage in some activities during the week, which will focus on 'Find your healthier you'. Please encourage your child/children to talk about what they are learning at school about being healthy and make this something that the whole family can be involved in.
