

## Weekly Bulletin Friday 12th June 2020

Our Theme for the Month for June & July is Healthy Lifestyles. The teachers have spoken with the children about the theme and there will be resources on Google Classrooms for Reception—F6 children over the coming weeks.

We will be holding a Challenge Week later in the month and families will be welcome to take part together. The challenges will be chosen by you and/or your child: perhaps you would like to try a new healthy food each day, or have a day where the focus is on eating more fruit followed by a day where the focus is on going for walks or going running. The challenge possibilities are endless—we are sure you will have plenty of ideas of your own, however we will, of course, offer some suggestions in case they are needed.

Watch this space (and Google Classroom) for more information.

Many Happy Returns to all the children who are celebrating their birthday this week.

Holly F2

Harry KG

## Congratulations to this week's

## Stars of the Week!

Rec: Ntembe for completing all activities with such enthusiasm and trying her best.  
Rec: Samuel for joining in with a smile and completing super work at home.

F1: Elliot for wonderful, descriptive writing, using speech marks correctly, and adding his own imaginative ideas to enhance his creative writing.

F1: Bertie for settling extremely well into new routines, displaying excellent behaviour and completing his work to the best of his ability.

F2: Thomas for outstanding English work. His use of language and punctuation is excellent and I always look forward to reading what he has written!

F2: James for consistently producing pleasing work and for being enthusiastic and engaged.

F2: Grace for producing some excellent work on 'Time' and for always surprising me with her interesting answers to questions.

F3: Evalyn for working incredibly hard and being a delightful participant in our Zoom sessions.

F3: Henry for wonderful Power of Reading ideas and trying really hard to improve his writing, with excellent literary techniques.

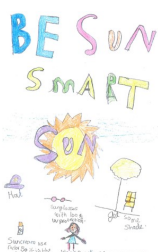

F4: Noah for being engaged in his learning and always keen to answer questions.

F5: Coby for putting a lot of effort into all his work, including full engagement in his flexible learning tasks. Well done, Coby!

F6: Pietro for enthusiastically completing all his work and making it as entertaining as possible.

## Sun Smart

Following our Sun Smart presentations last week, some of our pupils have been busy creating posters to remind us all to be safe in the sun. We have proudly displayed these around School but also wanted to share some of them with you as we think they are fabulous! Well done Ellie, Ruby, Sophia & Elise from F4.

## Welcome to Wilmslow

Do you know about your locality? The best walks? Places of interest? The best parks? Have no fear, because F4 have created some super tourist guides. F4 pupils have been working on a topic about their local environment looking at physical and human features of the landscape, ending the topic with a super piece of research work. The detail and information they include is presented better than any guide you might find in an information centre!

We certainly will be going on some of their guided walks this summer and taking in the points of interest they recommend.

Well done!

## ~~ Form 4 Joke of the Week ~~

What are bananas really good at?

The splits!
