

## Weekly Bulletin Friday 15th May 2020

After last week's celebrations the children have all been working very hard once again in their lessons. The teachers are pleased to see the completed work being returned and lots of the children are also taking part in lessons from the flexible curriculum, which is brilliant! Here are some more pictures of our fabulous pupils enjoying their home learning.

Please keep sending in your home learning pictures, we love to see them and share them on our bulletin, social media & website!

### Congratulations to this week's Stars of the Week!

Whilst we are still choosing a star of the week from each class, we would like to recognise that you are **all** doing a fabulous job, working really hard in these difficult times. Thank you.

**Rec:** James for working so hard and always completing his work.

**F1:** Lara for working very hard in all subjects, both in the online sessions and work completed.

**F2:** Olivia for working at home with such independence, perseverance and enthusiasm.

**F3:** Emily for always trying her best and working incredibly hard.

**F4:** Sophia for coping well with the new way of learning and continuing to be smiley and enthusiastic every day.

**F5:** Hattie for her excellent engagement with home-school learning, including completing assignments across the curriculum and returning her work so promptly.

**F6:** Alliya for working so hard and applying her independent organisational skills well.

### Wilmslow In Bloom

As you will have seen in your recent Parent Mail, WPS are taking part in Wilmslow In Bloom this year, decorating the Grove Avenue road sign. We will be planting some fabulous flowers so if you have any spare in your garden or greenhouse we would be delighted to incorporate these. We will also be including some animal & bug creations made from

recycled materials. There are lots of ideas in the email from Mrs Broome.

Together we can ensure that Grove Avenue has the best dressed road sign in Cheshire!

### ~~ Form 4 Joke of the Week ~~

Why is sand so quiet?

Because the waves are always saying "shhhhhh!"
