

Weekly Bulletin Friday 24th April 2020

Welcome back to the Summer Term! We do hope you are all keeping well and had a lovely Easter break.

The new term definitely hasn't started as we would have expected. However we are very proud of all our staff and children for their hard work and positive attitudes with regards to our new way of teaching and learning.

It has been fabulous to see all the children on their Zoom lessons this week and to hear about what they have been up to over the holidays. The children have seemed really keen to get back into their lessons and are completing the work set to a high standard, making their teachers very proud.

We have decided we would like to continue our Stars of the Week Award each Friday. Instead of receiving their certificate in assembly, we will announce the Stars on the bulletin and we will save the certificates and special golden stickers for when we return to School. We would also like to celebrate the children's birthdays as we usually would. We will put their name in the Newsletter as normal by way of celebrating with them. Happy birthday stickers will be ready and waiting for them all on our return to School.

We hope you have all seen our new video of the staff welcoming the children back to School. It has been posted on our Facebook page and is also on our website should you wish to view it again.

In future weeks, we would very much like to fill this space with pictures of the children enjoying their home learning - practising their musical instrument, doing some PE, Art, Spanish or studying at their desk... anything related to home schooling. If you would like us to include a picture of your child please email it to Miss Kendal: secretary@wilmslowprep.co.uk the deadline for these will be Thursday each week.

Please be aware that, by sending in your picture, you are giving permission for us to use it on our weekly bulletin as well as on our various social media accounts and our School website.

~~~~~ Form 4 Joke of the Week ~~~~~

What does a dragon always have in his bathroom?

A set of scales!

Many Happy Returns to all the children who have celebrated their birthday recently or will do so before the end of April. We hope you all had a lovely time.

As we mentioned all April's birthdays in our last newsletter before the holiday we will save this space for our next celebrants.

Congratulations to this week's Stars of the Week!

Even though we are all learning remotely at the moment, our staff would still like to celebrate their Stars of the Week.

Each of the teachers would like to award Star of the Week to all of the children in their Form for being so super at using Zoom, completing their work and adapting to a new way of Schooling. So well done to all the children in:

Kindergarten

Reception

Form 1

Form 2

Form 3

Form 4

Form 5

Form 6
