Phased Return Complete

It has been wonderful to be able to welcome back Forms 4 and 5 this week. They have settled back into School life very well and are coping brilliantly with the social distancing rules.

We are very excited to be welcoming back Forms 2 and 3 from Monday! This completes our phased return and we are absolutely delighted to have been able to accommodate a return to School for all pupils who are able to do so, before the summer holidays. All details about the return to School were sent out by ParentMail this week so, if you have not already done so, please ensure you check your emails so you have all the up to date information.

Form Photographs

We are organising a different format for Form photographs this year, due to the current situation.

Full details are in the email you have received today but in summary, our Form photos will be a montage of individual pictures taken at home, each child holding a word they have decorated to complete a sentence. We would like the children to wear uniform please. Our School Photographer will collate the pictures for each Form. As he is not charging for this service, the finished photos will be available to download from his website for a donation to charity. The website will be password protected.

It would be really lovely if we could have everyone included in these photographs so please check your emails for full details and the deadline date.

Form 6 WPS Cookbook

Our Form 6 children would like to thank everyone who has contributed a recipe to their WPS Cookbook! They have been very pleased with the replies received.

A first draft of the cookbook has been produced and the children are busy ensuring it is perfect, before mass production begins. They are also considering their price scheme and even thinking about multi-purchase deals!

There will be a choice of front covers designed by our F6 children and the book will be packed with fabulous savoury and sweet recipes to tempt all taste buds. Watch this space for more information about how you can get your copy of the WPS Cookbook.
