

Weekly Bulletin Friday 5th March 2021

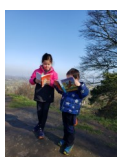

Everyone at WPS is looking forward to welcoming all of the children back to School on Monday 8th March 2021. We have a whole variety of activities and events planned for this week and for the rest of the term.

British Science Week will be the focus for our Science lessons for the first week back in School and we are asking all of the children to bring in a fascinating fact. All of the amazing information will go on display and we will be drawing names to find our special winners of the week.

Don't forget that Monday is the deadline for both of the competitions that we are organising to celebrate WPS World Book Day on Thursday 11th March — the Masked Reader and the Extreme Reading Challenge. Some of the fabulous entries so far include Ellie P5, Hashim P1, Jack P3, Emily P4, Evalyn P4, Ethan Rec, Ariana P6 and Louis P6.

Message from the Parents' Committee

Well done to our Matchbox Challenge Winners. Elise (P5) managed to fit an impressive 64 items in her matchbox! And Liberty (P3) decorated her matchbox beautifully.

Congratulations to this week's Stars of the Week!

Our staff would still like to celebrate their Stars of the Week while we are managing learning online and teaching in School

Rec: Theo for super number work; particularly when learning about money.

P1: James for persevering with Zooms, trying his best and displaying an excellent understanding of mathematical concepts. Well done!

P2: Elliot - for putting such thought into everything he does. It's a pleasure to read his written work and his understanding of Maths is shown through his detailed explanations!

P3: Emily for superb work in her lessons and trying really hard to extend her ideas.

P4: Libby for trying really hard this week and having a positive and happy attitude to lessons.

P5: Joshua for working hard and for contributing well in lessons.

P6: Sulayman for his continuous excellent engagement in lessons.

+

Many Happy Returns to all the children who are celebrating their birthday this week.

Sulayman P6

Nikabella Rec

Marium P6

Sophia P5

Prep 4 Fact of the Week

All of the planets are named after Gods or Goddesses from Mythology, except for Earth.
