Winmarleigh

Last week the children in Forms 5 & 6 visited Winmarleigh Hall near Preston for their annual residential trip.

The children were able to challenge themselves by trying a variety of activities that they may not have done before. Some, like raft building, involved practical skills, some, like the blind-fold walk, involved using other senses. Perhaps the biggest challenges of all came via the Giant Swing and Jacob's Ladder. We are happy to confirm that the children embraced the challenges wholeheartedly and had a fabulous week.

'I liked the zipwire. It was awesome' - Kirstin F5

'The best part was the giant swing. I loved it when you pulled the rope, it will be in my memories forever.' - Freya F5

'It was one of the best weeks of my life. The activities were great fun!' - Kristie F5

'It was my best holiday with School.' - Ella F5

'I found the whole trip enjoyable. It was a chance to try lots of new things and I gave everything a go.' - Amber F6

'Winmarleigh was the best school trip I have been on! I really enjoyed rock wall climbing, the giant swing and abseiling. I enjoyed being with my friends.' - Isobel F6

'My favourite thing was the giant swing and I loved the food as well.' - Rebecca F6

For some of our pupils, this was the longest they had spent away from home and we know that they were very much missed by parents! The children were a credit to

Wilmslow Prep and enjoyed both the activities and their recreation time with each other.

A big thank you to Mrs Hughes, Miss Ramsay, Mrs Sparrow and Miss McBride for looking after the children
